

SECURITY PROCEDURES

Security Screening Requirements

All guests, employees, contractors, and vendors are required to:

- Pass through metal detection screening.
- Submit all bags and personal items for inspection
- Comply with direction from MWF Security.

Individuals who refuse screening will be denied entry or escorted from the grounds.

Permitted Bags

- Clear bags only (plastic, vinyl, PVC, drawstring, or cinch-style) not exceeding 12" x 12" x 6"
- Small clutches, small bags, wallets, or fanny packs not exceeding 6" x 9"
- Exceptions made for diaper bags and medical bags

Size Rule

- Bags larger than 6" x 9" must be clear and may not exceed 12" x 12" x 6".

Not Permitted

- Backpacks
- Large non-clear bags
- Any bag exceeding the size limits

Prohibited Face Coverings

The following may not be worn unless explicitly authorized by MWF Security:

- Full-face masks (costume, ski, tactical)
- Fabric gaiters, scarves, or coverings obscuring facial identity
- Hoods worn in a manner that prevents recognition
- Face paint or accessories designed to conceal identity.

Permitted Exceptions

Face coverings and masks are permitted under the following conditions subject to Security screening:

- Medical or health-related protective masks
- Job-related protective equipment (e.g., food service, security)
- Religious head or face coverings
- Theatrical or performance-related costumes approved for the event
- Masks required under an active public health order

PROHIBITED ITEMS ON BACK

SECURITY PROCEDURES

PROHIBITED ITEMS

For safety and to expedite screening, the following items are prohibited inside the Park:

- Backpacks of any type
